**Dear Parents and Students,
Greetings!**

August at Dhi School of Excellence was a vibrant month filled with celebration, creativity, learning, and meaningful experiences.

Our Kindergarten learners enjoyed Orange Delight & Saffron Colour Day, elephant mask making, sand pit fun, and sponge painting activities. Friendship Day brought smiles and joyful moments, while our Bonalu Celebration helped students connect with our rich cultural traditions.

Our first PTM provided a wonderful opportunity for meaningful interaction between parents and teachers. Students also participated enthusiastically in the Fancy Dress Competition on National Heroes and Freedom Fighters, Paragraph and Essay Writing, and the Rakhi Making Competition across Grades 1-7.

The month was enriched by National Sports Day competitions, an exciting Field Trip, and a proud Independence Day Celebration. Our students also participated in Gosharpener Training, preparing them to become responsible volunteers for a greener and more sustainable India.

At Dhi, we believe that every experience is an opportunity to learn, create, celebrate, and grow. I am proudly presenting this news letter exhibiting the enthusiasm and active participation of our students throughout the month.

**Warm Regards,
K. Rupa
Principal**

Kindergarten: Little Minds Big Dreams

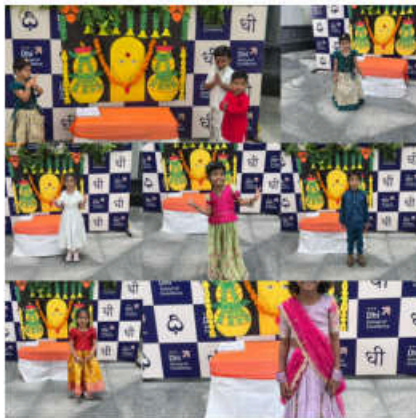

Saffron Colour Day photoshoot & Orange Delight Day 🍊🥕

Children celebrated Saffron Colour Day and Orange Delight Day on 5th August with great joy. The children came dressed in saffron and orange outfits and brought oranges and carrots from home. They learnt about the colour orange and the importance of eating healthy fruits and vegetables. The children enjoyed fun classroom activities and a cheerful photoshoot. It was a wonderful day filled with learning, fun, and happy smiles. 🍊🥕

Elephant Mask making Activity

On the occasion of World Elephant Day, on 12th of August our little learners enjoyed an engaging Elephant Mask Activity. They learnt that the elephant is the largest land animal and explored its unique features, embuing the value to preserve the animals. 🐘✨

🌸 Bonalu Celebration 🌸

Dhi's young learners celebrated the vibrant Bonalu festival on 6th of August with great joy and enthusiasm. They dressed up beautifully in traditional attire and participated in the celebrations, learning about the cultural significance and traditions of Bonalu. The colourful decorations and festive spirit made the celebration a memorable experience for everyone. 🙏🌸✨

Sand Pit Activity 🌂

Our little explorers had a wonderful time exploring and playing in the sand pit on 27th August. They used colourful buckets, shovels, and sand moulds to scoop, pour, fill, and create different shapes. The children enjoyed learning through hands-on play

Sponge Painting Activity

Children enjoyed a Sponge Painting Activity on 12th August by creating beautiful cherry pictures using sponge dabbing. 🍒🎨

Vibrant India: Tapestry of culture

Morning assembly presented by URIDDHI HOUSE

On 1st of August 2026, Uriddhi House conducted an inspiring morning assembly on friendship day as a part of their three days series, by the students of Grades 1, IV, V, and VII, centred on the themes of Respect, Compassion, Friendship, Nationalism, and Patriotism. Confidently hosted by Aravind (Grade V), the programme commenced with the school prayer and school song, fostering a spirit of unity and gratitude. Adil (Grade VII) shared the Thought for the Day, while Vedarth Ram and Chenwith (Grade 1) led the school pledge. The daily news was presented by Aravind (Grade IV), and a captivating theme-based performance by Nakshatra (Grade VII) added vibrancy to the assembly. A key highlight was "Our Leaders, Our Values," where students reflected on the inspiring lives of Mahatma Gandhi, Mother Teresa, Dr. A. P. J. Abdul Kalam, and Dr. B. R. Ambedkar, drawing meaningful lessons on respect, equality, humility, and selfless service. The symbolic significance of India's national bird, animal, flower, and tree further reinforced the message that true patriotism is expressed by respecting people, protecting nature, and preserving our rich heritage. The creative Heart & Mirror presentation encouraged students to recognise that compassion begins in the heart while respect is reflected through everyday actions. The series culminated in a joyful International Friendship Day celebrations on 1st August, during which the members of Uriddhi House thoughtfully handcrafted colourful friendship bands and distributed them across the school as symbols of trust, kindness, and togetherness. Another memorable highlight was the Friendly Teacher's Promise, where teachers pledged to remain approachable, patient, supportive, and inspiring mentors, strengthening the bond between educators and learners. The assembly concluded with the National Anthem, sung with pride and reverence by Empowering Students Through Physical Training A Physical Training (PT) session was conducted during the Uriddhi House Assembly with great enthusiasm and active participation from the students. The session focused on promoting physical fitness, discipline, coordination, and team spirit among the students. The students participated energetically in various warm-up exercises, physical drills, and fitness activities under the guidance of the teachers. The well-organised session encouraged students to understand the importance of regular physical activity and maintaining a healthy lifestyle. The PT session added vibrancy to the Uriddhi House Assembly and provided students with an opportunity to stay active, develop teamwork, and begin the day with energy and enthusiasm. The students thoroughly enjoyed the session and participated with remarkable spirit and discipline.

Morning Assembly conducted by Prabuddhi House (11th Aug - 14th Aug)

Prabuddhi House Morning Assembly was conducted with great enthusiasm, discipline, and patriotic spirit. The backdrop was beautifully decorated with tricolour rockets, creating a vibrant and patriotic atmosphere. The saffron, white, and green colours reflected courage, peace, and growth, while the rockets symbolised the students' dreams, aspirations, and journey towards greater heights. The decoration beautifully conveyed the message of patriotism, progress, and striving for excellence. The assembly began with a warm welcome by Samhith of Grade 5, who confidently anchored the programme. The assembly commenced with the Gayatri Mantra, followed by "Guru Brahma, Guru Vishnu, Guru Devo Maheshwara", seeking blessings and expressing gratitude towards teachers and mentors. The pledge and news headlines were presented by Rishitha of Grade 6, followed by the school song, sung by all the students with pride and unity. Farhaan of Grade 2 presented the Thought for the Day, sharing an inspiring message with the gathering. The highlight of the assembly was a special performance by Ivan Rathod, who dressed up as the great freedom fighter Tanguturi Prakasam Pantulu, popularly known as "Andhra Kesari." Ivan's impressive costume and presentation brought the inspiring story of this national hero to life. He highlighted Prakasam Pantulu's courage, patriotism, and fearless dedication to the nation, reminding students the sacrifices made by our freedom fighters.

Principal Ms K.Rupa addressed the gathering and spoke about the importance of remembering and respecting our national heroes. She encouraged the students to learn from their courage, sacrifice, dedication, and love for the nation and to practise these values in their daily lives. The assembly concluded with the National Anthem, sung by all the students with pride and respect. Prabuddhi House Assembly was a meaningful and inspiring occasion that fostered patriotism, unity, confidence, and admiration for the great heroes of our nation, in the series of three days morning assembly.

Perseverance in the Face of Challenges

Morning Assembly by Samridhi House (17th Aug - 19th Aug)

The students of Grades VI and VII of Samridhi House conducted the morning assembly with enthusiasm, confidence, and discipline. The programme commenced with a solemn prayer, in which all the students participated, creating a peaceful and positive atmosphere.

Prathij served as the anchor and guided the programme smoothly. Rishitha Reddy led the school in taking the pledge, reminding everyone of their duties and responsibilities as responsible citizens. This was followed by an inspiring Thought for the Day, presented by Sumanth.

Shravya Sree presented the news, keeping the gathering informed about important current events. The highlight of the assembly was a special speech delivered by Nakshathra on the theme "Perseverance in the Face of Challenges." The speech emphasised the importance of determination, resilience, and maintaining a positive attitude when confronted with difficulties. It encouraged students to view challenges as opportunities for growth and to continue striving towards their goals without giving up.

Principal Ms K.Rupa addressed the students and appreciated the sincere efforts of all the participants. She reinforced the significance of perseverance in both academics and everyday life and motivated the students to face obstacles with courage and confidence.

The theme continued for the three days assembly conducted in the series. It was both meaningful and inspiring, leaving the audience with the valuable message that success is achieved through consistent effort, patience, and determination.

PTM at Dhi School of Excellence

Dhi School Of Excellence recently hosted its first Parent-Teacher Meeting (PTM) on 8th August, bringing together parents and educators in a spirit of collaboration and shared purpose. The event saw enthusiastic participation, with parents eager to connect with teachers and gain deeper insight into their children's progress. Classrooms buzzed with warm conversations as parents sat down with subject teachers and class mentors to review academic performance, discuss learning styles, and understand areas of strength as well as opportunities for growth. What stood out most, however, was the shared focus on holistic development – a core value at Dhi School of Excellence. Teachers highlighted how students are encouraged to grow not just academically, but also socially, emotionally, and creatively. Discussions touched on students' participation in co-curricular activities, teamwork, leadership qualities, confidence building, and overall character development. Parents expressed appreciation for the school's balanced approach, noting visible improvements in their children's curiosity, discipline, and interpersonal skills.

Many parents shared that the PTM gave them valuable perspective on how classroom learning is complemented by activities that nurture creativity, critical thinking, and emotional well-being. Teachers, in turn, welcomed parental insights that help them better understand each child's individual needs at home. The event reaffirmed the strong partnership between families and the school – a partnership built on open communication and a common goal: helping every child thrive. Dhi School Of Excellence extends heartfelt thanks to all parents for their active participation and looks forward to continuing this collaborative journey in the terms ahead.

Together, we nurture not just students, but well-rounded individuals ready for the future.

Fancy Dress Competition : Foundational Years

On 14th August, Our pre primary, Grade 1 and Grade 2 children participated in Fancy Dress Competition on the theme Freedom Fighters as part of our Independence Day celebration. The children dressed up as inspiring freedom fighters and national heroes, showcasing their costumes with confidence and enthusiasm. We congratulate the winners. Sriksitha Reddy who portrayed Jhansi ki rani grabbed the first position, whereas second position was bagged by Ira Rathod of PPI who mesmerised the judges with her pious look of Bharat matha, Samaira Azmeen was placed on the third position. Heartfelt Kudos to all the winners and participants! In grade 1&2 segment Akruth Reddy of Grade 1 dressed as Mahatma Gandhi bagged the First Position. Vedarth Ram (Grade 1) as Subhash Chandra Bose and Chenwith Reddy (Grade 1) as Bhagat Singh secured the Second Position. The runner ups were Uddip Gupta and Ayaansh dressed as Soldiers, Yuwin as Netaji, Ivan Rathod and Krishiv Varshan as Subhash Chandra Bose, and Grahati as Savitribai Phule. The event was a joyful celebration of patriotism, confidence, and creativity, making it a memorable experience for all the young participants.

Independence Day Celebrations

"Freedom in our hearts with excellence in our actions". Dhi School Of Excellence celebrated day with great pride and gusto!! The spirit of patriotism came alive on August 15th as students, teachers, and staff gathered to celebrate India's Independence Day with great enthusiasm, pride, and reverence. The campus was adorned in tricolor hues, setting a festive and patriotic tone for the morning. The celebrations commenced with the hoisting of the national flag by our esteemed Chief Guest, Mrs. Ramya Terala along with our hounrable Director of Academics Dr Mona Mehdi followed by the soulful rendition of the National Anthem. Addressing the attentive assembly, Principal Mrs K. Rupa set an uplifting tone, paying homage to the visionary freedom fighters whose sacrifices paved the way for a free, sovereign nation. She emphasized that true freedom extends beyond political sovereignty—it lies in integrity, critical thinking, empathy, and active civic responsibility. Urging students to be the conscious architects of India's future, she remarked. The cultural program showcased remarkable talent across all grade levels. Sravya Sree of Grade V1 captivated the audience with a powerful, stirring speech in Telugu, eloquently highlighting the rich heritage of our nation, the courage of historic freedom fighters, and our cultural roots. Our young learners charmed the audience with adorable, high-energy dance performances celebrating the colors of freedom.

Grades 1 & 2, continuing the momentum, took the stage with vibrant, synchronised patriotic dance routines that drew enthusiastic applause. Bhanu Nakshtra delivered an articulate and impactful speech in English, reflecting on the duties of the modern generation, unity in diversity, and the vital role of youth in global progress. Grades III, IV & V students presented a stirring patriotic Dance, filling the atmosphere with pride and devotion for the motherland. The gathering was deeply honoured by the gracious presence of our esteemed Chief Guest, Mrs Ramya Terala. In her inspiring address, she commended the institution for fostering patriotic values and urged students to cultivate discipline, curiosity, and strong moral character. The program concluded with inspiring speech by Dr Mona Mehdi.

Empowering Young Eco-Champions: The Go Sharpener Initiative

Our school has partnered with Go Sharpener, a global and dynamic sustainability networking and EdTech platform that engages students in real-world sustainability and social impact challenges to launch the Go Sharpener Program, dedicated to inspiring climate action, environmental awareness, and civic responsibility among students. On 22nd August'2026, A workshop for our students was organised. Mrs Sravanthi, the Sustainability Ambassador, of Go Sharpener explained briefly about the Impact Profile which aims to transform students into impact superstars by translating every impactful action into points through a free-to-download personalized digital report card. Student Impact Profile: Individual profile showcase each student's journey, milestones, and personal contributions toward a greener planet, recognizing top performers with badges and certificates Key Features of the Program are Digital Sustainability Score Card & Report Card: Every participating student receives a real-time digital scorecard tracking their green habits, eco-challenges, and sustainable activities. A collective campus dashboard that aggregates the entire school's environmental impact, reflecting our shared progress toward United Nations Sustainable Development Goals (SDGs). Monthly Interactive Sessions: Go Sharpener Sustainability Ambassadors will conduct two engaging sessions every month, featuring hands-on workshops, webinars, and sustainability challenges. They also conduct Campus Waste Collection Drives: Regular waste collection and segregation drives will be organized to divert recyclables from landfills, directly fostering a cleaner, zero-waste campus environment. This initiative provides our students with a structured platform to develop leadership skills, earn tangible recognition, and take meaningful steps toward building a sustainable future.

Essay/ Paragraph Writing Competition

Dhi School of Excellence conducted an Essay and Paragraph Writing Competition on 14th August for students from Grades 1 to VII as part of CCA, the school's effort to nurture creativity, critical thinking, and effective communication skills among young learners. The competition provided students with an opportunity to express their thoughts and ideas on a range of meaningful and thought-provoking topics. The topics included "Unity in Diversity," "National Heroes," "A Few Lines About My Country," "How Can I Contribute to the Development of My Country?" and "Causes of Global Warming and Preventive Measures." Students participated with great enthusiasm and demonstrated impressive creativity, awareness, and originality in their writing. The activity encouraged them to reflect on national values, appreciate the contributions of great heroes, understand their responsibilities as citizens, and develop awareness about pressing environmental concerns such as global warming. The competition also helped students enhance their vocabulary, sentence construction, presentation, and written expression while fostering a sense of patriotism, social responsibility, and environmental consciousness. The winners were felicitated for their commendable efforts, during the morning assembly Samhith of Grade 5 secured the First Position, followed by Bhanu Nakshatra on Second Position and Sai Mohana Ishika on Third Position. Shravya Sree K was the Runner-up for her noteworthy performance. The event was a successful endeavour in encouraging students to think creatively, write confidently, and express their ideas with clarity and purpose. It reflected the school's commitment to providing meaningful platforms for students to develop both their academic and life skills.

A Colourful Celebration of Creativity – Rakhi Making Competition

Dhi School of Excellence hosted a Rakhi Making Competition on 27th August, bringing together tradition, imagination, and craftsmanship in a vibrant celebration of Raksha Bandhan. The activity offered students a meaningful platform to give artistic form to the cherished bond between brothers and sisters. With remarkable enthusiasm, the young participants transformed simple materials into exquisite handmade Rakhis, experimenting with colours, patterns, embellishments, and innovative designs. Each creation reflected the individuality, patience, and ingenuity of its maker. Beyond being an art-based activity, the competition enabled students to connect with the cultural significance of Raksha Bandhan and appreciate the values of affection, bonding, and mutual care associated with the festival. The hands-on experience also encouraged precision, perseverance, and independent thinking. The event concluded with the announcement of the winners. Grahati emerged as the First Position holder, while Chenwith Reddy won the Second Position and Krishiv Varshan secured the Third Position. In the Grade 3, 4 and 5 categories, Srihaan of Grade 4 claimed the First Position, Pradyuth of Grade 5 won the Second Position, and Vaibhav of Grade 4 achieved the Third Position. The competition was a memorable occasion that combined the richness of Indian tradition with the freshness of youthful imagination. It provided students with an enjoyable avenue to celebrate a cherished festival while discovering the joy of creating something beautiful through their own skills and ideas

Field Trip – Mini Shilparamam

On 29th August 2026 (Saturday), the students of Dhi school of excellence from Grades 1 to 7 enjoyed an exciting educational field trip to Mini Shilparamam. The visit provided a wonderful opportunity for students to learn beyond the classroom through fun-filled exploration and hands-on experiences. Students explored the rich cultural heritage of Telangana by observing traditional village models, beautiful handicrafts, folk art displays, and sculptures. They learned about the lifestyle, occupations, and artistic skills of local artisans while appreciating the nature-filled surroundings and the importance of preserving the environment.

Students also enjoyed playing kho kho, kabaddi, and other fun games with their classmates. These activities encouraged teamwork, cooperation, and a healthy spirit of participation while adding excitement and joy to the day. The field trip encouraged curiosity, observation, and interaction as students spent time with their teachers and classmates.

The day was filled with smiles, discovery, games, and unforgettable memories. It was a truly enriching experience that blended learning with enjoyment and helped students gain a deeper appreciation for art, culture, nature, teamwork.

Highlights from the classrooms

Lighting Up Learning

As a part of Science Subject Enrichment Activity, Grade VII students successfully made an LED bulb glow by assembling a simple electric circuit. They also learned about the differences between incandescent lamps and LED lamps through a live demonstration using a torch light. In addition, different types of electric cells and batteries were explained, helping students understand their uses in everyday life. The hands-on activity strengthened their understanding of electricity, electrical components, and energy-efficient lighting through experiential learning.

Ms Lahari

The Mighty Himalayas

As part of the Subject Enrichment Activity (SEA), the students of Grades 4 and 5 creatively designed a 3D model of the Physical Features of India on the theme "The Mighty Himalayas." Through this hands-on activity, students explored the Himalayan Mountain Ranges, including the Karakoram Range and the Purvanchal Hills, while identifying their locations on the map of India. They also understood the relationship between the Himalayas and other physical features such as the Northern Plains, Coastal Plains, Desert, and Islands. The activity enabled students to remember and understand the different Himalayan ranges, apply their knowledge by accurately locating them on the model, analyse the connection between landforms, evaluate the significance of the Himalayas in shaping India's geography, and create an attractive 3D representation using innovative materials. This engaging learning experience strengthened their geographical concepts, enhanced creativity, teamwork, map skills, and critical thinking, making the study of India's physical features both meaningful and enjoyable.

बूंद की आत्मकथा

नन्हें कलाकारों के कैनवास पर 'बूंद की आत्मकथा'

सातवीं कक्षा के प्रतिभाशाली विद्यार्थियों ने जल संरक्षण के संदेश को चार्ट पेपर पर अपनी मनमोहक कलाकृतियों के ज़रिए जीवंत कर दिया है। चित्रों और रंगों के खूबसूरत तालमेल से 'एक बूंद के जीवन' की कहानी को उकेरने का उनका यह प्रयास बेहद सराहनीय है। बच्चों ने अपनी अद्भुत कल्पनाशीलता और संवेदनशीलता से पानी की हर एक बूंद का महत्व बहुत ही सरलता से समझाया है। इन नन्हें कलाकारों की यह रचनात्मक सोच और पर्यावरण के प्रति सजगता वाकई काबिले-तारीफ़ है।

Visitors for People with hearing difficulties - Robotics Project

As part of our Robotics activity, students worked on a "Project Alert - Visitors for Deaf People", exploring how technology can help people with hearing difficulties identify visitors through visual or alert signals. Students learnt through hands-on, meaningful project while developing creativity and awareness of assistive technology.
