29/7/2026	Guru Purnima - Special Assembly

Principals' Message

Dear Parents and Students,
Greetings!!!

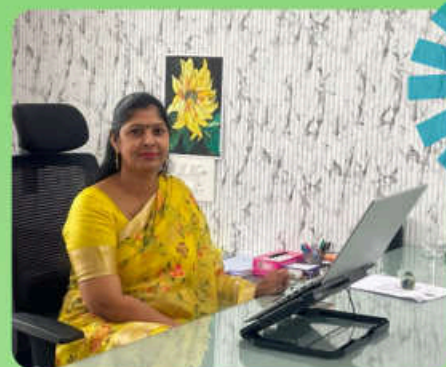

As we journeyed through the vibrant month of July, our school community wholeheartedly embraced the theme "Nurture Nature," inspiring every learner to become a responsible steward of our environment. Through meaningful initiatives and collective efforts, we reinforced the belief that even the smallest acts of care can create a greener, healthier, and more sustainable future.

The month commenced with a heartfelt celebration of 'National Doctors' Day, where we honoured the dedication, compassion, and selfless service of healthcare professionals. This was followed by our Vanamahotsava celebrations, during which students enthusiastically participated in plantation drives, environmental awareness activities, and hands-on learning experiences that strengthened their commitment to protecting nature.

Our youngest learners also enjoyed an engaging Puppet Show, where storytelling came alive through colourful characters and interactive performances, nurturing imagination, communication skills, and joyful learning in a fun-filled environment.

With great pride and patriotism, the school observed 'National Flag Day and Kargil Vijay Divas, paying tribute to the valour and supreme sacrifice of our armed forces. Through inspiring speeches, patriotic songs, and thoughtful reflections, students developed a deeper appreciation for the nation's rich heritage and the values of courage, unity, and service.

A defining milestone of the month was our Investiture Ceremony, where our newly elected Student Council members pledged to lead with integrity, responsibility, and compassion. At Dhi School of Excellence, we believe that leadership is not merely about holding a position but about serving others, inspiring positive change, and becoming role models for the school community.

The spirit of gratitude filled our campus during the celebration of Guru Purnima, as students expressed heartfelt appreciation to their teachers through speeches, poetry, and cultural presentations. The occasion beautifully reinforced the timeless bond between teachers and students while reminding us that true education is rooted in wisdom, values, and respect.

The month concluded on a joyful note with our Friendship Day celebrations, where students enthusiastically participated in Friendship Band and Card Making Activities. By exchanging their handmade creations with friends, teachers, and parents, they celebrated the values of kindness, gratitude, empathy, and meaningful relationships.

We were also deeply honoured to welcome our esteemed mentor, Mr. Sydney JP Borg, Knight of Malta, humanitarian, entrepreneur, and National President of the Australian Maltese Chamber of Commerce, along with Mr. Sesidhar Kolikonda, an eminent business leader and strategic advisor from Australia. Their visit added immense value to our institution as they appreciated Dhi's vision of delivering global education rooted in Indian values. Their encouraging words and global perspective reaffirmed our commitment to nurturing future-ready learners with wisdom, character, and a strong sense of purpose.

At Dhi School of Excellence, we believe that true learning extends far beyond textbooks. Our classrooms continue to come alive through experiential learning methodologies that foster curiosity, critical thinking, creativity, collaboration, and joyful exploration, making every lesson meaningful and memorable.

The successful completion of the First Periodic Assessment marked another significant milestone in our academic journey. Assessments are not merely a measure of achievement but opportunities for reflection, growth, and continuous improvement.

I extend my heartfelt gratitude to our dedicated teachers, supportive parents, and enthusiastic students for your unwavering trust and commitment. Together, let us continue to nurture not only nature but also knowledge, values, leadership, patriotism, gratitude, compassion, and lifelong learning, shaping responsible global citizens who remain firmly rooted in the rich ethos of India while embracing the opportunities of the world.

Best Regards,

K. Rupa

Principal

Tender feet - Big milestones

Umbrella Craft

Our little learners enthusiastically participated in a creative Umbrella Craft Activity. Using colourful papers, they designed beautiful umbrellas while developing their fine motor skills, creativity, and hand-eye coordination. This engaging activity also reinforced the concept of the rainy season, encouraged colour recognition, and enhanced their concentration and confidence.

National Doctor's Day

On the occasion of National Doctor's Day, our young learners enthusiastically participated in a delightful Role Play Activity by dressing up as doctors. They explored the importance of a doctors' role in keeping us healthy and learnt to care with kindness and compassion. Through pretend check-ups, writing prescriptions, and interacting with their friends, the children developed confidence, communication skills, and an appreciation for the medical profession. It was fun-filled and meaningful learning experience that inspired respect and gratitude for our healthcare heroes.

Alphabet Treasure Hunt

Tiny Tots enthusiastically searched for alphabet cards and identified the letters they found. This engaging activity enhanced letter recognition, vocabulary, observation, memory, and communication skills while making learning fun and interactive.

Healthy Eating

Children participated in a healthy "Fruit Chaat Activity". They brought different fruits, shared them with their friends, and enjoyed making a delicious fruit chaat together. This activity helped children learn about healthy eating, sharing, and teamwork while making learning enjoyable.

Concept building Activity

Big and Small

Children explored the concept of big and small by creating bead models of different sizes. This hands-on activity enhanced their observation, comparison, fine motor, and hand-eye coordination skills while strengthening their understanding of sizes in a fun and engaging way.

Big, Bigger, Biggest

Children learnt the concept of big, bigger, and biggest by arranging and creating bead models of different sizes. This interactive activity developed their observation, comparison, concentration, fine motor skills, and early numeracy concepts while encouraging confident and joyful learning.

Green Colour Day Celebration

Green Colour Day Celebration 17th July Children celebrated Green Colour Day with great enthusiasm. As part of the celebration, the children actively participated in a Leaf Craft Activity, creating beautiful birds using natural leaves. They also enjoyed a Handprint Tree Activity, where each child added their green handprint to create a wonderful "Green Tree," symbolizing nature, growth, and teamwork.

Puppet Show – The Rabbit and the Tortoise

Our Pre-Primary students were delighted to watch an engaging puppet show based on the classic tale, The Rabbit and the Tortoise. The vibrant puppets and lively storytelling captivated the young audience, making the learning experience both enjoyable and meaningful.

Through this interactive activity, children enhanced their listening and observation skills while understanding the valuable moral of the story—that perseverance, patience, and consistent effort lead to success. The puppet show encouraged them to believe in themselves and to keep trying until they achieve their goals.

National Doctor's Day: Assembly Presentation

Doctors' Day is celebrated every year on 1st July in India to honour the unwavering dedication, compassion, and selfless service of doctors who tirelessly work to safeguard lives and promote the well-being of society. The day commemorates the birth and death anniversary of Dr. Bidhan Chandra Roy, a legendary physician, educationist, and statesman whose remarkable contributions continue to inspire generations.

To mark this special occasion, Dhi School of Excellence celebrated National Doctors' Day with great enthusiasm and heartfelt gratitude, paying tribute to the invaluable contributions of the medical fraternity through a series of meaningful activities.

The celebration began with a special morning assembly, where students expressed their respect and appreciation for doctors through inspiring thoughts and messages. A captivating skit portrayed the dedication, sacrifices, and challenges faced by doctors, highlighting their unwavering commitment to humanity. Students also delivered inspiring speeches that acknowledged doctors as healers, caregivers, and true everyday heroes. The campus resonated with creative slogans, reinforcing the message of gratitude and admiration for the selfless service rendered by medical professionals.

A significant highlight of the celebration was the inspiring address by our respected Principal, Mrs. K. Rupa. In her thoughtful message, she reminded students that Doctors' Day is much more than a celebration—it is a heartfelt expression of gratitude to those who dedicate their lives taking care of others. She emphasized that the qualities of compassion, empathy, commitment, integrity, and selfless service exemplified by doctors are values every individual should strive to uphold, regardless of their chosen profession.

The celebration concluded on a note of appreciation and inspiration, leaving students with a deeper understanding of the noble medical profession. It served as a meaningful reminder that doctors are the true guardians of health, hope, and humanity, whose tireless service deserves our utmost respect and gratitude.

Vanamahotsava: Rooted in Nature, Growing with Responsibility

The annual festival of trees, Vanamahotsavam, was celebrated with great enthusiasm at Dhi School of Excellence, fostering environmental awareness and inspiring students to become responsible stewards of nature. The celebration reflected the school's commitment to promoting sustainable living and nurturing a deep respect for the environment.

The event commenced with a special morning assembly, where students highlighted the significance of Vanamahotsavam and the vital role of trees in sustaining life. The assembly set the tone for the day, encouraging everyone to embrace environmental responsibility and work towards a greener future.

Following the assembly, students and staff enthusiastically participated in a plantation drive, planting saplings across the campus as a symbol of their collective commitment to protecting the environment. Every sapling planted served as a reminder that small actions today can create a lasting impact on tomorrow.

Adding further meaning to the celebration, students presented a thought-provoking skit that emphasized the urgent need for environmental conservation and the importance of preserving our natural resources. Through their engaging performance, they inspired everyone to become active contributors to a cleaner and greener planet.

The celebration was further enriched with a melodious song presentation, through which students beautifully expressed their love for nature and reinforced the importance of living in harmony with the environment. The performance filled the atmosphere with positivity and inspired all to cherish and protect the natural world.

Vanamahotsavam at Dhi School of Excellence was more than a celebration—it was a meaningful initiative that instilled environmental consciousness and a sense of responsibility among students. The event served as a powerful reminder that every tree planted today is a step towards a greener, healthier, and more sustainable tomorrow.

Samridhi embodies the essence of growth, prosperity and well-being. It signifies not just material wealth but also emotional, spiritual and intellectual abundance.

It signifies growth, development and expansion. It represents the natural process of progress of knowledge, skills, health and spiritual understanding.

CCA - House meeting - Nurturing Leadership, Teamwork, and Excellence

The House Distribution Programme conducted on 3rd July 2026 marked the beginning of an exciting year of co-curricular activities at Dhi School of Excellence. Students were inducted into one of the four houses Samridhi (Green), Vridhi (Blue), Kushadhi (Yellow), and Prabuddhi (Red)—each representing unique values and inspiring a sense of identity and belonging.

The House System encourages teamwork, leadership, healthy competition, and holistic development through a variety of sports, literary, cultural, and community service activities. With enthusiasm and school spirit, students look forward to representing their houses and striving for excellence throughout the academic year.

Prabuddhi signifies awakening and wisdom. It represents the enlightened state of mind that arises from self-realisation and a true clarity of thought.

Yellow, where deep wisdom meets purposeful action! It signifies a powerful blend of knowledge, discernment, and cleverness, inspiring students to not just acquire facts, but to think wisely and act effectively.

Theme : Let's Go Green

Assembly Presentation by Samridhi House [July 13-15]

The assembly was conducted with great enthusiasm by Samridhi House, highlighting the theme "Let's Go Green" as a part of Van Mahotsav Week. The assembly was gracefully hosted by Shravya Sree of Grade 6, who confidently led the proceedings and kept the audience engaged throughout.

The pledge was administered by Uddip and Krishv from Grade 2, inspiring everyone to take responsibility for protecting and preserving the environment. Sumanth of Grade 7 presented the daily news with confidence, while Vaibhav of Grade 3 beautifully explained the assembly theme, emphasizing the importance of planting trees, conserving natural resources, and adopting eco-friendly habits in daily life. Students participated in a skit by presenting a creative

"Go Green Earth" poster, reinforcing the message of environmental conservation and demonstrating their commitment towards building a greener future. Their confident presentations and active involvement reflected teamwork, creativity, communication skills, and environmental awareness.

The assembly concluded with an inspiring address by the principal - K Rupa, who encouraged students to contribute towards saving the environment through simple yet meaningful actions such as planting more trees, reducing plastic usage, conserving water and electricity, and maintaining cleanliness. Her motivating words reminded everyone that small individual efforts can collectively make a significant impact on creating a healthier and greener planet.

Ms Sandhya Rani - Samridhi House Mistress

Assembly Presentation by Uridhi House [July 16-17]

"The Earth provides enough to satisfy every man's needs, but not every man's greed."

Uridhi House conducted a meaningful and inspiring assembly on 8th July 2026 on the theme "Let's Go Green", encouraging students to become responsible guardians of the environment. The assembly commenced with a warm welcome by the Uridhi House Mistress, who introduced the significance of Uridhi, symbolizing growth, progress, and prosperity, while the house colour Blue represents wisdom, confidence, and harmony. The programme began with the School Prayer and School Song, beautifully led by Chenwith and Vedarth Ram of Grade 7 and all the team members, followed by the National Pledge recited by Aravind of Grade V, inspiring a sense of responsibility towards the nation and the environment. Adding depth to the theme, Ishika of Grade IV shared a provoking thought for the Day, while Skanda of Grade VII presented a soulful Shloka. Aravind further captivated the audience with an impactful slogan and placard presentation, emphasizing that small eco-friendly actions can lead to a healthier and more sustainable future. The programme was confidently anchored by Nakshatra of Grade VII, who also presented the day's news with poise. The assembly concluded with an inspiring address by the Principal - K Rupa, who encouraged students to adopt sustainable practices in their daily lives and reminded everyone that every small effort contributes to building a greener and brighter tomorrow. The event ended on a patriotic note with the National Anthem, leaving everyone motivated to care for and protect our planet.

Ms Lahiri - Uridhi House Mistress

Theme : Leaders are made, not born.....

Assembly Presentation by Prabuddhi House

Prabuddhi House conducted the morning assembly on 20 July 2026 on the inspiring theme, "Leaders Are Made, Not Born." The assembly highlighted that leadership is nurtured through hard work, determination, responsibility, and good values rather than being an inborn quality.

The programme was confidently commanded by Pratij (Grade VII) and began with a prayer by all the students. Vaibhav presented the news, followed by the school pledge led by Uddip (Grade II). Pratij shared the Thought for the Day, encouraging everyone to develop leadership qualities through perseverance and positive actions.

A meaningful skit was presented by Skanda, Vaibhav, and Fazan (Grade III), effectively conveying the message that every individual has the potential to become a leader through dedication and character. The assembly concluded with the National Anthem sung by all the students, instilling a sense of unity and patriotism.

The programme was well-organized and engaging, reflecting the enthusiasm, confidence, and teamwork of the students. It left the audience with the valuable message that true leaders are shaped by their actions, values, and commitment to serving others.

Ms Anant Laxmi-Prabudhi House Mistress

Assembly Presentation by Kushadhi House

The members of Kushadhi House from Grades I to VII conducted the morning assembly on 25th July on the theme "Leaders Are Made, Not Born" The assembly highlighted that leadership is nurtured through discipline, perseverance, integrity, and service. The atrium reflected the spirit of Kushadhi House with vibrant yellow décor and balloons, beautifully decorated by the House Mistress Ms. D. Sri Lakshmi and Ms. Geeta Jaiswal. S.Grahati of Grade I, adorned with sunflower, beautifully represented the Yellow House, symbolizing wisdom and knowledge. The significance of the house was introduced by House Mistress Ms. D. Sri Lakshmi, The programme was seamlessly anchored by Rohit (Grade VII). Krish Varshan of Grade II led the School Pledge, Akruth Reddy of Grade II shared the Thought for the Day, Vibhav Reddy of Grade II presented the News Headlines, and Viahaan of Grade IV delivered an inspiring speech on the theme, encouraging students to lead with honesty, responsibility, and compassion.

The assembly concluded with the National Anthem, reinforcing the message that true leadership is shaped by character and commitment.

Ms Sri Laxmi- Kushadhi House Mistress

Assembly presentation on National Flag Day by Students of Grades 1-VII

A flag is not just a cloth with colors; it is the symbol of our collective spirit, unity, and shared dreams." This week, at Dhi School of Excellence radiated patriotic enthusiasm as our school community gathered for a special assembly on 22nd July in the honor of National Flag Day, which marks a momentous day in our history. It is the day the Tiranga was officially adopted as our National Flag in 1947. To commemorate this occasion, our students put together an inspiring morning assembly that reminded us all of the deep values our flag represents. The assembly served as a wonderful reminder that the freedom and unity we enjoy today were built on the sacrifices of many. As young learners at Dhi School, honoring the flag means striving for excellence, showing respect to all, and contributing positively to our nation's growth every day.

Pratij of Grade VII started the program with command and the news was read by Vaibhav of Grade VI. There was a quizlet conducted by MS E. Sandhya related to the significance of our National Flag. Ms A Laxmi shared a thoughtful presentation detailing the significance of the Tiranga. The Primary Choir captivated everyone with a beautiful medley of patriotic songs, while students of Grade IV-VII performed a mind blowing dance. Principal, Ms K Rupa addressed the gathering and delivered a motivational speech on significance of the colours of our National Flag and explained briefly about the sacrifices, contribution and dedication of many freedom fighters. She also emphasized that respecting our flag goes beyond ceremonial days, it shows up in how we care for our community, support one another, and act as responsible young citizens.\

Ms Padma Joshi - CCA In-charge

Investiture Ceremony – 27 July 2026: Leading the Dhi's Way

Dhi School of Excellence celebrated its Investiture Ceremony on 27 July 2026, a significant occasion that marked the formal induction of the newly elected Student Council. The ceremony reflected the school's commitment to nurturing responsible, confident, and compassionate leaders who will inspire positive change within the school community.

The event was graced by Dr. Mona Mehdi, Director Academics as the Chief Guest. Her inspiring presence and insightful address encouraged students to embrace leadership with integrity, empathy, and a strong sense of responsibility. She reminded the young leaders that true leadership is rooted not in authority, but in service, vision, and leading by example.

The programme commenced with a warm welcome, followed by vibrant cultural performances that added grace and enthusiasm to the occasion. The highlight of the ceremony was the solemn investiture, where the newly elected council members were adorned with badges, symbolising the trust reposed in them and their commitment to uphold the values of discipline, teamwork, excellence, and service.

The Student Council for the academic year will be led by D. Pratij as Head Boy and M. Bhanu Nakshtra as Head Girl. The House Captains include K. Shravya Sree for Samriddhi House (Green), Abdul Adil for Uriddhi House (Blue), S. Rohit for Kushadhi House (Yellow), and K. Rishitha Reddy for Prabuddhi House (Red).

Principal K Rupa along with Faculties congratulated the newly elected council and expressed their confidence that these young leaders would carry forward the school's vision with dedication, humility, and a spirit of collaboration, inspiring their peers through exemplary conduct.

The ceremony concluded with the National Anthem, leaving everyone with a renewed sense of pride, purpose, and commitment. More than a ceremonial tradition, the Investiture Ceremony stood as a testament to Dhi School of Excellence's unwavering belief in empowering students to become capable, ethical, and visionary leaders of tomorrow.

Kargil Vijay Diwas - Honouring the soliders

Special Assembly on Kargil Vijay Diwas was conducted on 26th July with great enthusiasm and patriotism by the students of Samridhi House. The programme commenced with the soulful rendition of the Gayathri Mantram and Guru Brahma Guru Vishnu prayer, creating a serene and positive atmosphere. The Pledge was confidently led by Uddip (Grade 2), followed by the Thought for the Day presented by Fazaan (Grade 3), inspiring everyone with meaningful words. The News Headlines were presented by Sumanth (Grade 7), keeping the gathering informed about current affairs.

A heartfelt speech on Kargil Vijay Diwas was delivered by Shravya Sree (Grade 6), highlighting the courage, sacrifice, and unwavering patriotism of the brave soldiers who laid down their lives in service of the nation. The assembly was further enriched by a melodious patriotic song presented by Shravya Sree and Nakshathra, filling the atmosphere with pride and reverence for the country.

The assembly concluded with an inspiring address by the Principal, Ms K Rupa, who encouraged students to honour the sacrifices of our soldiers by upholding the values of discipline, responsibility, and service to the nation. The programme ended with the National Anthem, sung with great respect, unity, and patriotic spirit.

Guru Purnima - Honouring the Teachers

On 29th July on the occasion of Guru Purnima a special assembly was conducted with great devotion and gratitude, celebrating the invaluable role of teachers and mentors in shaping young minds. The programme commenced with the morning prayer, creating a serene and positive atmosphere, followed by the Pledge led by Uddip (Grade VI). Fazaan (Grade VII) presented the Thought for the Day, emphasizing the importance of respecting and learning from our teachers, while the News Headlines were shared by Sumanth (Grade VII).

A meaningful speech on the significance of Guru Purnima was delivered by Shravya Sree (Grade VI), expressing heartfelt gratitude towards teachers for their constant guidance, wisdom, and encouragement. The celebration was further enriched by a beautiful Telugu poem presented by Shravya Sree and Nakshathra, paying tribute to the dedication, knowledge, and selfless service of gurus.

Principal. Ms K Rupa addressed the gathering, highlighting the profound influence of teachers in nurturing knowledge, values, and character. She encouraged students to remain lifelong learners and to always honour and respect their teachers for the light they bring into their lives.

The assembly concluded with the National Anthem, leaving everyone inspired by the spirit of gratitude, respect, and the timeless bond between teachers and students. The celebration beautifully reinforced the values of reverence, humility, and appreciation for the guiding lights who shape the future through education.

"कला- एकीकृत शिक्षण (Art Integrated Learning)"

रंगों में सीख, कल्पनाओं को नई उड़ान"

कला-एकीकृत शिक्षण (Art Integrated Learning) शिक्षा को रोचक, आनंददायक और प्रभावशाली बनाता है। इसी उद्देश्य के साथ विद्यार्थियों ने अपने पाठों से जुड़े विषयों को चित्रों के माध्यम से अपनी कॉपियों में सजीव रूप दिया। रंगों और रेखाओं के साथ सीखने की इस प्रक्रिया ने न केवल उनकी रचनात्मकता को अभिव्यक्ति दी, बल्कि विषय की गहरी समझ भी विकसित की। बच्चों के चेहरों पर झलकता उत्साह और आनंद इस बात का प्रमाण था कि जब शिक्षा कला से जुड़ती है, तो सीखना केवल एक प्रक्रिया नहीं, बल्कि एक आनंदमय अनुभव बन जाता है। ऐसी गतिविधियाँ विद्यार्थियों में कल्पनाशक्ति, आत्मविश्वास और सृजनात्मक सोच का विकास करते हुए सीखने को यादगार बना देती हैं।

Ms Geetha Jaiswal-Hindi Department

The Echoing Green:

Bringing Nature into the Classroom Inspired by William Blake's poem "The Echoing Green," the Grade 7 students at Dhi School of Excellence transformed their classroom into a vibrant green learning space. Using plants, leaves, twigs, and other natural materials, they recreated the beauty and serenity of nature, making the poem come alive beyond the pages of the textbook.

As a special highlight, students collaboratively crafted an eco-friendly globe using twigs and leaves, symbolising their commitment to protecting the environment. This art-integrated learning experience encouraged creativity, teamwork, and environmental consciousness while deepening their appreciation of literature. The activity beautifully demonstrated that meaningful learning happens when imagination, nature, and knowledge come together.

Padma Joshi - English Department

Numbers in Action: Learning Beyond the Textbook

The Grade 111 students enthusiastically explored the concept of Even and Odd Numbers through a hands-on mathematics activity using colourful counting sticks. By grouping and pairing objects, students identified and classified numbers up to 9999, making abstract concepts easy to understand through real-life experiences.

Experiential learning encourages children to observe, explore, question, and discover, enabling them to develop a deeper understanding of mathematical concepts. This engaging activity not only strengthened students' number sense but also enhanced their logical reasoning, critical thinking, problem-solving, and collaborative skills. By learning through experience, students gained confidence and developed a positive attitude towards Mathematics, proving that meaningful learning happens when children actively participate in the learning process.

Anant Laxmi - English Department

Celebrating Global Partnerships in Education

Dhi School of Excellence welcomed our mentor Mr. Sydney JP Borg on 24th July which is a memorable celebration of global collaboration and educational excellence.

Mr. Sydney JP Borg, National President of the Australian Maltese Chamber of Commerce and Prior of New South Wales & Bailiff of the Order of Saint John of Jerusalem Knights Hospitaller (OSJ Malta), is a globally respected humanitarian and visionary leader. As the CEO of Arvensys Group, he has devoted over four decades to advancing international partnerships, business excellence, and community service.

He was accompanied by Mr. Sesidhar Kolikonda, Chief Executive Officer – Business Advisory at Arvensys Technologies, a renowned strategist with over two decades of expertise in business transformation, technology, and corporate leadership. His work continues to drive innovation and sustainable growth across diverse industries.

During their visit, the distinguished guests toured the campus and interacted with the leadership team, appreciating Dhi School of Excellence for its unwavering pursuit of academic excellence and its distinctive vision of harmonizing global educational standards with the timeless values of Indian culture. They commended the school's commitment to nurturing future-ready learners through innovation, character building, and experiential learning.

The visit reaffirmed Dhi School of Excellence's guiding philosophy that global education, enriched with Indian values and traditions, empowers young minds to become compassionate, responsible, and visionary leaders of tomorrow. Their inspiring presence and encouraging words marked another significant milestone in Dhi's journey towards becoming a center of educational excellence with a global outlook.

OUR STAR PERFORMERS OF THE MONTH

We are delighted to recognize our students who have been the **Best Performers of the Month** at Dhi School of Excellence. Their dedication, discipline and consistent efforts make them role models for their peers. We congratulate our young achievers and encourage them to keep striving for excellence in every step of their learning journey.

CONGRATULATIONS
